Scenario Briefing

Good evening driver. The Master Cutler railtour (a collaboration between Retro Railtours, RailAdventure, The 125 Group and Chiltern Railways) is running today and heads from Sheffield to London as part of the 125th anniversary celebrations of Marylebone station.

You are in charge of 1Z43, the inbound service from Sheffield to Marylebone.

You are currently in Platform 8 at Sheffield so release your doors and get ready to depart at 06:48. On this leg of your journey you have station stops at Chesterfield, Derby and Leicester only.

Your train is formed of 2 HST power cars and 6 coaches and the maximum permitted speed for your train is 125 mph.

Weekly/Daily/Special Operating Notices

None

Notes

This scenario has been built around the player adhering to the given maximum speed and following the given schedule. Without those elements, the scenario may not play as intended. All trains are taken from the timetable in operation on the day the scenario is set with adjustments here and there to cater for TSC and gameplay. Additionally, the scenario reflects what happened on that specific day.
