Scenario Briefing

Good afternoon driver. It's a Sunday afternoon and you have been rostered on to a Northern service from Darlington to Hartlepool. You are currently in platform 3 at Darlington so release your doors to allow passengers to board and get set-up ready to depart as soon as permitted.

Once underway you have station stops at Dinsdale, Allens West, Eaglescliffe, Stockton, Billingham, Seaton Carew and Hartlepool.

Your train is formed of a 2 car Class 156 set and the maximum permitted speed for your train is 75 mph.

DSN - Down Sunderland

Notes

This scenario has been built around the player adhering to the given maximum speed and following the given schedule. Without those elements, the scenario may not play as intended. All trains are taken from the timetable in operation on the day the scenario is set with adjustments here and there to cater for TSC and gameplay. Additionally, the scenario reflects what happened on that specific day.
