Scenario Briefing

Good evening driver. Today you are in charge of a TPE service from Leeds to Manchester Piccadilly. Having left Leeds a while ago you are now in platform 1 at Huddersfield so release your doors to allow passengers to board and get set-up ready to depart as soon as permitted.

You are booked to depart Huddersfield at 20:25 but you are running a few minutes late.

On this leg of your journey you have station stops at Slaithwaite, Marsden, Greenfield, Mossley, Stalybridge and Manchester Piccadilly.

Your train is formed of a 3 car Class 185 set and the maximum permitted speed for your train is 100 mph.
