Scenario Briefing

Good morning driver. Rhenus Veniro currently hold the franchise to operate passenger services on the Moselweinbahn between Bullay to Traben-Trarbach utilising Stadler RS1 railbuses. Today you have been rostered on to this service and you are now at Bullay ready to depart for a morning trip up to Traben-Trarbach. You have some time to board your passengers and get set-up before your departure time of 09:38. The maximum permitted speed for your train is 120kph

Weekly/Daily/Special Operating Notices

None

Kovenig	09:51	---	09:51	2
Traben-Trarbach	09:56	---	---	

Notes

I know there are a number of scenarios already available that cover the Bullay to Traben-Trarbach branch line but this is my version. As you might expect, it's pretty short and quite straightforward. The times for this scenario are based on current timetables with adjustments here and there to cater for TS.
