Scenario Briefing

Good morning driver. Today you have been rostered on to a GWR passenger service from Cardiff Central to Plymouth. Having left Cardiff a while ago you've now reached Exeter St Davids so release your doors for passengers to board and get set-up ready to depart as soon as permitted.

Once underway you have station stops at Dawlish, Teignmouth, Newton Abbot, Totnes, Ivybridge and Plymouth.

Your train is formed of a 5 Car Class 802 set and the maximum permitted speed for your train is 125 mph.

Weekly/Daily/Special Operating Notices

None

Notes

This scenario has been built around the player adhering to the given maximum speed and following the given schedule. Without those elements, the scenario may not play as intended. All trains are taken from the timetable in operation on the day the scenario is set with adjustments here and there to cater for TSC and gameplay. Additionally, the scenario reflects what happened on that specific day.
